
Sponsor statement:

Ohio Revised Code (ORC) 3314.03(D)(2) specifies that the sponsor of the school must “monitor and evaluate the academic and fiscal performance and the organization and operation of the community school on at least an annual basis.”

In its evaluation of the school performance, the Ohio Department of Education Office of School Sponsorship assesses the performance of Youngstown Academy of Excellence on each of the required Ohio School Report Card indicators and on performance measures listed in the charter contract.

The Ohio Department of Education Office of School Sponsorship monitors the performance of the community schools through our attendance at the Youngstown Academy of Excellence board meetings, visits to the school, monthly review of financial reports and reviews of academic progress reports along with other reports related to the school’s performance.

The Ohio Department of Education Office of School Sponsorship was the sponsor for Youngstown Academy of Excellence during the 2017-2018 school year. The Youngstown Academy of Excellence was generally compliant with the laws, rules, and regulations governing Ohio community schools and we continue to monitor compliance with laws, rules and regulations throughout the school year. Academically, Youngstown Academy of Excellence is progressing towards compliance in academics and we will continued to provide technical assistance and monitoring of school academics.

The Annual Report for Youngstown Academy of Excellence related to the performance of the school and all other schools sponsored by the Ohio Department of Education will be posted on our website www.education.ohio.gov, no later than November 30, 2018.

All Sponsors of community schools in Ohio are required to submit a written report of the evaluation results of the school’s academic, financial, organization performance, and the school’s legal compliance to the Ohio Department of Education and make the report available to parents of students enrolled in the community school.
