

STEAM ACADEMY OF WARREN

June 6, 2022

Dear STEAM Academy Families,

My name is Wendy Thomas and I am so excited to introduce myself as the Head of School of Steam Academy. I am honored to be part of the STEAM family, which is known far and wide for its dedication to excellence, but more importantly, to children. Over the past 16 years, I have worked as a teacher and administrator, but I consider my most important job to be that of a child advocate. I will spend a lot of time with your children, getting to know their personalities, learning styles and interests. I will celebrate their successes, small and large. I will encourage them every day and let them know they are valued and have a special place in our school community.

Not only am I excited to see the growth while working with your children, but I look forward to the work we will do together. As the old African Proverb states, "It takes a village to raise a child." I am excited to see your children through your eyes. I cannot wait to share with you the great things they do throughout their days here at STEAM Academy. And of course I will be here to work with you should they need any help navigating any aspect of the school day.

During the course of the year, it is my hope that we will work together to provide the students the best opportunities in preparing for the world, ready to master challenges placed in their path. As Head of School, my door is always open and I welcome your input. Please feel free to stop in or call to make an appointment to discuss your concerns, suggestions, or ideas to help make this year the best it can be!

Let us always keep our students the primary focus of our work. I look forward to celebrating our collective successes during the 2022-2023 school year. We will be having a Back to School Event at STEAM Academy on Monday, August 15th from 5:00 to 7:00 pm. I look forward to seeing everyone there.

Enjoy the remaining days of summer!

Wendy Thomas

Head of School

STEAM Academy of Warren
