

# STEAM ACADEMY — OF WARREN —

Attention Parents/Guardians,

With the new school year fast approaching, transportation to and from school is something that should be planned for as soon as possible. Our school day will start this year at 8:40AM, so if you are planning to drive your scholar to school, please be aware that you will need to arrive by 8:40AM to ensure your students start their day on time.

If you need transportation, busing can be provided for you through Warren City Schools. You must live further than 1 mile from the school to be eligible for bussing, otherwise you will have to provide transportation yourself.

In order to sign up for bussing through Warren City Schools, please use the following link and fill out the form entirely prior to the start of school (August 16<sup>th</sup>). It usually takes up to 48hrs for requests to be approved, so the sooner this is completed the more likely your scholar will have bussing for the first day.

<http://warrencityschools.org/business-office/transportation/request-for-transportation/>

\*In order to complete your application, you will need an updated proof of residency. This could be a utility bill with your name and address on it or a rent or mortgage payment.

If you have any questions, please contact the main office 330-394-3200.

Regards,

Principal Thomas.
